Hello there!

Welcome to Ottawa Region's newest café, Airbnb and event space. Where modern and minimalist aesthetic meets the beauty of the natural surroundings. We are located in the tiny town of Burritts Rapids, directly across the street from one of the lockstations along the historic Rideau Canal waterway. Arrive by car, boat or bike and enjoy a drink of your choice or lunch inside our stylish café, or outside on our lovely patio.

The café itself is fully accessible, has a beautiful new stone fireplace, plenty of washrooms, and is both air conditioned and heated. We have plenty of both indoor and outdoor seating options and are conveniently located directly across from the locks station in Burritts Rapids. We offer plenty of parking and good wifi!

We will be open from the beginning of May until the end of October, however our café is still available to book for private events during the off season. If you're looking to host a brunch, birthday party, Christmas part, fundraiser, or other event, don't hesitate to reach out!

The Boathouse BnB

On the second story of our property we offer a completely separate one bedroom Airbnb unit which boasts views of the locks from the front and of our 6 acre land from the back. The suite includes a fully equipped kitchen, freshly renovated bathroom, queen sized pullout couch, electric fireplace and private balcony and courtyard. Grab our canoe and go for a paddle on the river, walk the tip to tip trail, or enjoy an evening campfire under the stars. There is plenty to do outside to enjoy the peaceful nature that Burritys Rapids has to offer! If you feel like exploring further, Merrickville is only a few minutes away and offers a variety of great shops and restaurants. And if a round of golf is something you're interested in, Equinelle Golf Course is also not far and is an excellent course!
